

What is Assistive Technology and why is it on my Child's I.E.P.?

*Please join us for an informative meeting on
Thursday, January 21st, 7:00 pm
@ The Da Vinci Learning Center
905 Main Street, Port Jefferson*

Presenter: Tom Rosati , Ed.D. A.T.P.
Rehabilitation Engineers of North America,
Assistive Technology Practitioner National Certification
The DaVinci Learning Center

Assistive Technology is required to be considered for every I.E.P. The presentation will review the regulations, rights, and history of Assistive Technology. A discussion and demonstration of specific products that can be helpful for students with learning difficulties, working within the C.S.E. process, and methods that have been successful in using A.T. with L.D. will be shown.

*We Look Forward to Meeting You!!
All Are Welcome!!*
